

Best Practices in Primary Care 2022 Destin, FL October 6-8, 2022

PROGRAM OVERVIEW

Primary care clinicians are most often the entryway to patients for their healthcare. This activity will examine various conditions often seen in everyday practice with the goal of learning new strategies for diagnosing and treating patients. During this three-day activity, we'll examine common conditions seen in primary care: Abnormal Liver, ADHD, Bipolar Disorders, Dermatology, Diabetes, Lupus, Migraine, Obstructive Sleep Apnea, Women's Health, and USPSTF Screening Recommendations. This program will provide opportunities for interaction with the faculty, get answers to your burning questions, and learn 'best practices' tools and techniques to help you better treat your patients.

CONFERENCE LEARNING OBJECTIVES

After participating in this educational activity, participants should be better able to:

1. Properly diagnose common medical conditions encountered in the primary care practice
2. Recognize 'best practices' in primary care in regard to disease management
3. Review the latest medical research and updated guidelines and apply to clinical practice

ACCREDITATION/DESIGNATION STATEMENTS

Primary Care Network is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Primary Care Network designates this live activity for a maximum of 12 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ABIM MOC: Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 12.0 Medical Knowledge MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program.

Physician Associates/Physician Assistants

PAs may claim a maximum of 12 Category 1 credits for completing this activity. NCCPA accepts *AMA PRA Category 1 Credit*[™] from organizations accredited by ACCME or a recognized state medical society.

Nurse Practitioners/Nurses

The American Academy of Nurse Practitioners Certification Board (AANPCB) and American Nurses Credentialing Center (ANCC) accept *AMA PRA Category 1 Credit*[™] from organizations accredited by the ACCME.

Other Healthcare Professionals

All other healthcare professionals will receive a certificate of participation.

CERTIFICATES

To receive your CME certificate or your certificate of participation, you **MUST** complete the Primary Care Network online evaluation form. A link to the online evaluation form will be emailed to you Saturday early afternoon. Immediately upon completion of the evaluation, your certificate will populate, so please be ready to print and/or save your certificate at that time. In addition, your certificate will be emailed to you. Please check your inbox and junk/spam folders. **Evaluations must be completed by October 21, 2022.** The online evaluation system will close after this date, and no certificates will be issued.

UNLABELED USE DECLARATION

During their presentation, faculty may discuss unlabeled or investigational use which is not approved for a commercial product. Faculty members are required to disclose this information to the audience when referring to an unlabeled or investigational use.

DISCLAIMER

The opinions, ideas, recommendations, and perspectives expressed during this activity are those of the program authors and presenting faculty only and do not necessarily reflect the opinions, ideas, recommendations or perspectives of their affiliated institutions, Primary Care Network, advisory boards and consultants, or the activity's commercial supporter(s), if applicable.
